

WATER SERVICE

Colored Insulated Mugs

Medegen Medical Products is your water service source.

We have an extensive product offering. We have extended our offering to include colored insulated mugs in 22oz. and 32oz.

Our insulated mugs are ideal for hospital patients, extended care and home health use. They are designed with a molded double insulation wall to keep drinks cold and reduces the need to continually add ice.

- The lids have a recloseable double straw port to prevent contamination
- Easy to use left and right handed
- Integrated thumb grip for secure handling
- Straws come with an easily removable cover/cap also to prevent contamination
- Mugs are latex free and BPA free
